# A Little Bit Strange

*Bonathan pretends he can't see the setlist. His glasses are one top of his head. Conversationally, he half sings:*

G D7
Have you seen my glasses? I thought they were right here.
G
At least, if they're not, I sure hope they're near.
C G
'Cause without them on I cannot see!
D7 G
So then I gotta find someone to find them for me.

*Jecky asks the kids to tell him where his glasses are. She asks if this happens a lot.*

G D7
It's a little bit strange but I've often heard said
G
If it wasn't attached I'd lose my head
C G
and I'd like to point out that I'd also be dead.
D7 G
But if it wasn't attached I guess I'd lose my head.

*Instrumental break (Bonathan). Jecky says, "Sometime I lose things, too, for example..." and then sings the next 2 verses.*

G D7
I had my keys when I drove myself here.
G
So how could they just disappear?
C G
If you wanted to look I wouldn't interfere!
D7 G
I know I had my keys when I drove myself here.

G D7
If it wasn't attached I'd lose my boat.
G
Pull the anchor up and watch it float.
C G
I believe that it is worthy of note:
D7 G
If it wasn't attached I'd lose my boat.

*Instrumental break (Jecky). Bonathan sings the next 2 verses.*

G D7
I'm glad to say I haven't lost my cat.
G
And I'm also quite pleased that she isn't attached.
C G
That would be a sure way to get horribly scratched.
D7 G
But still I'm quite glad I haven't lost my cat.

G D7
When I was a boy all the phones were attached

*G*
and we rode on mules and the roofs were thatched.
*C* *G*
Any time a call was to be dispatched
*D7* *G*
you could find your phone ’cause it was attached.

*Instrumental break (Bonathan). Last verse sung together.*

*G* *D7*
If it wasn’t attached I’d lose my mind.
*G*
Not sure it is ’cause I typically find
*C* *G*
that it wanders right off leaving me behind.
*D7* *G*
If it wasn’t attached I’d lose my mind.
