Can I Borrow Your Dog?

Swing

Verse 1

```
  D             A         G                   A
I know got a dog and it can make life crazy
D                       A                 G    N.C.
she needs another walk but poor you,  you're feeling lazy
D                   A          G                     A
ain't such good luck you have a friend who says he
                       D
will borrow your dog
```

Verse 2

```
D                       A              G                   A
Just give me some treats and I promise I won't eat them
  D                       A               G               A
I think your dog is neat and I'm really glad to meet them
        D                        A          G                   A
We'll just go down to the street I'll keep her on the leash
                       D
can I borrow your dog?

Bridge - straight eighths

```
            Bm        A       G
Perhaps I'd get a dog if he could be a time share
        Bm              A                G
Free dinner and a seminar you know that I would be there
Bm                  A          G
If you want to help me, if you really care
                           D
let me borrow your dog
```

Verse 3

```
    D              A        G              A
I'd really like a dog to jump on my lap, so
   D             A        G        N.C.
if you have a beagle mastiff or Lhasa apso
   D       A            G           A
or even a rescue of uncertain breed
D               A       G               A
any kind of dog is really what I need
                       D
can I borrow your dog?
