

## **My Dame had a Lame Tame Crane**

C            G            C  
My dame had a lame tame crane

C            G            C  
My dame had a crane that was lame

G            C            G  
Come Mistress Jane to my dame's lame tame crane

C            G     C  
Feed her and return again
