CHORUS (You got to undo) C	C Am F G7 Typing a paper all through the night, C Am F G7 just writing the end-notes when you had an awful fright. C Am F G7 So much progress, and it all goes poof. C Am F G7 All eight pages, with some dumb typing goof.
You go to the washer and throw in all your whites, C	(You got to undo) C Am F G7 Undo, it's as good as new. Before undo, what did we do? C Am You can turn back time, it's really true. F G7
C Am F G7 Riding on horses was getting rather slow. C Am F G7 With internal combustion see how fast we could go. C Am F G7 Setting stuff on fire is really, really great. C Am F G7 Didn't see the downsides, and now it might just be too late.	You go to the washer and throw in all your whites, C Am F G7 forgetting the blue jeans you put in just last night. C Am F G7 You add the detergent, and add a splash of bleach. C Am F G7
Riding on horses was getting rather slow. C	CHORUS
	Riding on horses was getting rather slow. C
