Green Goo

G7
You're walking down the street minding business of your own.
C7 *G7*
You think you are safe, do you think you are alone.
But then some creepy dude comes walking past you.
A7 *D7* *Eb7 D7*
He tilts back his head, and he gives a big ker-choo!

CHORUS:
G7
Green goo, green goo.
C7 *G7*
It doesn't matter what you do.
Green goo, green goo.
D7 *C7* *G7*
It's going to get all over you.

G7
You step into a restaurant, a Mexican buffet.
C7 *G7*
Some girl who wants a tacos screams get out of my way!
You trip over the rug trying to get out of her path.
A7 *D7* *Eb7 D7*
Next thing you know you're in a guacamole, bath!

CHORUS

BRIDGE:
C7 *G7*
Now if I had some blue glue and I mixed it with red,
D7 *G7*
then I have some purple goo that I could dump on your head.
C7 *G7*
But if I had some yellow glue, I could mix with that blue,
A7 *D7* *Eb7 D7*
do you know what I get? Oh yes, I think that you do.

CHORUS

D7 *C7*
It's going to get all over,
D7 *C7*
It's going to get all over,
D7 *C7* *G7*
It's going to get all over you.
