

A Little Bit Strange

Bonathan pretends he can't see the setlist. His glasses are on top of his head. Conversationally, he half sings:

G *D7*
Have you seen my glasses? I thought they were right here.

G
At least, if they're not, I sure hope they're near.

C *G*
'Cause without them on I cannot see!

D7 *G*
So then I gotta find someone to find them for me.

Jecky asks the kids to tell him where his glasses are. She asks if this happens a lot.

G *D7*
It's a little bit strange but I've often heard said

G
If it wasn't attached I'd lose my head

C *G*
and I'd like to point out that I'd also be dead.

D7 *G*
But if it wasn't attached I guess I'd lose my head.

Instrumental break (Bonathan). Jecky says, "Sometime I lose things, too, for example..." and then sings the next 2 verses.

G *D7*
I had my keys when I drove myself here.

G
So how could they just disappear?

C *G*
If you wanted to look I wouldn't interfere!

D7 *G*
I know I had my keys when I drove myself here.

G *D7*
If it wasn't attached I'd lose my boat.

G
Pull the anchor up and watch it float.

C *G*
I believe that it is worthy of note:

D7 *G*
If it wasn't attached I'd lose my boat.

Instrumental break (Jecky). Bonathan sings the next 2 verses.

G *D7*
I'm glad to say I haven't lost my cat.

G
And I'm also quite pleased that she isn't attached.

C *G*
That would be a sure way to get horribly scratched.

D7 *G*
But still I'm quite glad I haven't lost my cat.

G *D7*
When I was a boy all the phones were attached

and we rode on mules and the roofs were thatched.

Any time a call was to be dispatched

you could find your phone 'cause it was attached.

Instrumental break (Bonathan). Last verse sung together.

If it wasn't attached I'd lose my mind.

Not sure it is 'cause I typically find

that it wanders right off leaving me behind.

If it wasn't attached I'd lose my mind.
